The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**QUITCLAIM OF STORM DRAIN EASEMENTS
PRIVATE DRAIN NO. 2514-1-PARCEL 1EX
SANTA CLARITA AREA
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

SUBJECT

This action is to approve the Quitclaim of Easements associated with Private Drain No. 2514-1, as shown in Exhibit A, from the Los Angeles County Flood Control District to the underlying fee owners, Tournament Players Club at Valencia, LLC, and Newhall Land and Farming Company (a California Limited Partnership).

**IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING BODY
OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:**

1. Find this Quitclaim of Easements to be categorically exempt from the provisions of the California Environmental Quality Act.
2. Find that the Los Angeles County Flood Control District's easements for Private Drain No. 2514-1-Parcel 1EX are no longer required for the purposes of the District.
3. Authorize the Quitclaim of Easements to the underlying fee owners, Tournament Players Club at Valencia, LLC, and Newhall Land and Farming Company (a California Limited Partnership).

4. Instruct the Chair to execute the Quitclaim of Easement documents and authorize delivery to the grantee.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to provide for the quitclaim of the excess easements back to the underlying property owners. The easements that were dedicated to the Los Angeles County Flood Control District as described in Exhibit A are no longer required.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we provide Service Excellence (Goal 1) by providing for the quitclaim of the excess easements back to the underlying property owners, which is beneficial to both the County and residents.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The easements were originally obtained in connection with a storm drain project, Private Drain No. 2514-1. Since the easements were granted, the plans for Private Drain No. 2514-1 have been revised to relocate an access road associated with the storm drain. An easement over the new location of the access road has been dedicated; therefore, the original easements are now in excess.

Plans for Private Drain No. 2514-1 were reviewed by the Department of Public Works. The Quitclaim of Easement documents have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed project is categorically exempt from the California Environmental Quality Act. This Quitclaim of Easements is within the class of projects, which have been determined not to have a significant effect on the environment in that it meets the criteria set forth in Sections 15305 and 15312 of the State California Environmental Quality Act Guidelines and Classes 5 and 12 of the Environmental Document Reporting Procedures and Guidelines, Appendix G.

The Honorable Board of Supervisors
July 29, 2008

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Since the easements are now excess and no longer required, their quitclaim will not have an adverse impact on current services or projects.

CONCLUSION

Please return one adopted copy of this letter and the executed originals of the Quitclaim of Easement documents to Public Works, Land Development Division. Retain the duplicate copies for your records.

Respectfully submitted,

for DEAN D. EFSTATHIOU
Acting Director of Public Works
